HONG KONG. THE FILTER BEDS.

LL9696

*By Appointment.*

# TUCK'S POST CARD

CARTE POSTALE.

(For Address only.)

**The Filter Beds.** The island of Hong Kong is eleven miles long and from two to five miles broad, circumference about 27 miles. From the sea, and particularly from the beautiful harbour facing the capital, the general aspect is one of singular beauty; inland the prospect is wild and somewhat monotonous. Water is plentiful, and is supplied to the shipping in tanks.
